

HEAVY DUTY

CONSTRUCTION ADHESIVE

**HIGH
STRENGTH**
**INSTANT
GRAB**

DAP® HEAVY DUTY Construction Adhesive is a high-performance formula designed for heavy duty interior & exterior construction and remodeling projects. HEAVY DUTY Construction Adhesive delivers high strength instant grab to hold vertical projects in place immediately. Featuring a weather resistant bond, this adhesive provides a durable, long-lasting bond and strong adhesion on a wide range of building materials.

IDEAL FOR:
PANELING, MOLDING,
TRIM, DRYWALL & MORE

**STRONG
PERMANENT BOND**

MULTI-MATERIAL

VOC COMPLIANT

HEAVY DUTY

PANELING • MOLDING • TRIM • DRYWALL & MORE

HIGH STRENGTH INSTANT GRAB FOR VERTICAL PROJECTS

**HIGH
STRENGTH**
**INSTANT
GRAB**

FEATURES & BENEFITS

- Strong Permanent Bond
- Water-Resistant
- Weather-Resistant
- Low Odor
- Easy Water Clean-Up
- Application Temperature Range:
40°F - 100°F
- Service Temperature
Range: -30°F - 180°F
- 10 Minute Working Time
- VOC Compliant
- Interior / Exterior

MULTI-MATERIAL ADHESION

COVERAGE

10 FL OZ

1/4" bead yields 31 linear feet
3/8" bead yields 14 linear feet

28 FL OZ

1/4" bead yields 86 linear feet
3/8" bead yields 38 linear feet
