

ADJUSTABLE INTUMESCENT FIRESTOP COLLARS

RTC Firestop Collars

SpecSeal® RTC Firestop Collars are adjustable collars sized to fit 3 in (76 mm) or 4 in (102 mm) trade size plastic pipes and associated couplings. One part number with range-taking capabilities resolves having to inventory individual collars for each pipe size. RTC Collars are the only factory-supplied firestop collars sized to fit couplings, thereby eliminating the need to field-assemble collars from wrap strip and sheet metal restraining collars.

Features & Benefits

- Sized for 3 in (76 mm) and 4 in (102 mm) trade size pipes
- Also fits 3 in (76 mm) and 4 in (102 mm) trade size pipe couplings
- Installs quickly; no waste
- Tested in all common constructions

ORDERING INFORMATION

| Catalog Number | UPC Number | Size | (UOM) Qty. | Case Qty. | Weight (Each) |
|----------------|--------------|--|------------|-----------|--------------------|
| RTC350 | 730573038352 | Adjustable factory collar for 3" (89 mm) & 4" (114 mm) pipe and associated couplings | 1 | 6 | 0.80 lbs (0.36 kg) |

TEST STANDARDS: ASTM E814 (UL 1479)
